

perform his or her Board duties and responsibilities.

(c) An employee may have an indirect interest in securities of an insured depository institution, or affiliate thereof which arises through ownership of shares (or other investment units) of publicly held holding companies, mutual funds, or investment trusts but only if:

(1) The assets of the holding company, mutual fund, or investment trust consist primarily of securities of nonbank entities; and

(2) The employee does not own or control 5 percent or more of the shares (or other investment units) of the holding company, mutual fund, or investment trust.

Such an indirect interest in securities of an insured bank or affiliate is deemed too inconsequential to affect the integrity of the employee's services to the Board. (This provision, which represents a statutory waiver pursuant to former 18 U.S.C. 208(b)(2), is adopted from the FDIC regulations at 12 CFR 336.1-7(c).)

§ 1505.18 Other investments.

(a) While employed by the Board an employee may not purchase, own, or control, directly or indirectly, any securities issued by any bridge bank or other institution organized under section 21A(b)(11) of the Federal Home Loan Bank Board Act as added by section 501(a) of FIRREA.

(b) While employed by the Board an employee may not purchase securities of, or otherwise invest in, any open- or closed-end fund primarily designed to acquire thrifts or other insured depository institutions.

(c) While employed by the Board an employee may not knowingly acquire, directly or indirectly, any financial interest which conflicts or, appears to conflict, with his or her official duties and responsibilities.

(d)(1) Except as provided in paragraph (d)(2) of this section, an employee may own or control investments described in paragraph (c) of this section whenever:

(i) Ownership or control was acquired prior to commencement of Board employment, or after commencement of employment, through a change in mar-

ital status or through circumstances beyond the employee's control, such as inheritance, gift, or merger, acquisition or other change in corporate ownership;

(ii) The employee makes full, written disclosure on the prescribed form to the DAEO within 30 days of commencing employment or acquiring the interest; and

(iii) The employee is disqualified from participating in any decision or other action having a direct and predictable impact on the employee's financial interest; *Provided*, that the President, after consultation with the DAEO and the Office of Government Ethics, may determine that disqualification is not necessary because the employee's interest is too inconsequential to affect the integrity of the employee's services to the Board.

(2) The employee may be required to dispose of his or her interest in securities whenever disqualification under paragraph (d)(1) of this section might impair the employee's ability to perform his or her Board duties and responsibilities.

(e) An employee may have an indirect interest in otherwise prohibited investments which arises through ownership of shares (or other investment units) of publicly held companies, mutual funds, or investment trusts which have broadly diversified portfolios not specializing in any particular industry and which are:

(1) Widely held and are not under the employee's control; or

(2) Limited partnership interests in large public partnerships (i.e., one which has at least 39 partnership interests) and less than 25% of the gross revenues of the limited partnership is derived from firms doing business with the RTC.

The employee is disqualified, however, from participating in any particular matter having a direct and predictable impact on the employee's financial interest in such investments; *Provided*, that the President, after consultation with the DAEO and the Office of Government Ethics, may determine that disqualification is not necessary because the employee's interest is too inconsequential to affect the integrity of the employee's services to the Board.
